

*We value our members highly*

## What we do

We pool our members funds and invest in real estate, capital markets, and other investments. We also create employment opportunities for our people through our investments. We have also established **the best benevolent fund in Kenya.**

## Who We Are

Common Friends Club (CFC) also known as **Mulembe Fund** is an investment group that brings together indigenous people of Western Kenya. We have **more than 150 registered members.** We are targeting to recruit **the top** 1000 political leaders and professionals from Western Kenya

### **You too can become a member!**

As a leader/professional you can become a platinum or double platinum member by investing Kes 500,000 and 1 million respectively over a period of 1-5 years. Your investment earns dividends from our projects.
