

We value our members highly

What we do

We pool our members savings and invest in real estate, capital markets, and other investments. We also create employment opportunities for our people through our investments. Our Members also qualify for loans at very competitive rates. We have also established **the best benevolent fund in Kenya.**

Who We Are

Common Friends Club (CFC) is an investment group (Chama) that brings together indigenous people of Western Kenya. We have **more than 150 registered members.** We are targeting to recruit 1000 additional members. To become a member, you pay Kes 2,500 joining fee and thereafter save a minimum of Kes 2,500 per month. Your savings earn interest.
